Subject: Gold, Economics, Finances, Money

Jack Bentley, B.COMM., CA, describes his “little” but powerful book: “This book is alive with good old down home explanations of money matters and finances, in other words, economics. Be assured, economics is the glamour side of monetary supposition. Please scan the chapters for the material covered. Believe me, the book is not only informative it is fashionably funky. By the way, economics is defined by some as the science of the production and distribution of wealth. Next: GOOD AS GOLD, THE SPIRIT OF GOLD, AND LANA’S GOLD.”

Chartered Accountant Jack Bentley has dealt with N.Y. The Federal Reserve Bank, brokerage houses, the Wall St. Journal and Dow Jones: The School of Economics at London University, Lloyds of London about his findings. A Canadian, Jack and his beautiful wife Jean live in Vancouver and spend 6 months in the California desert. He has several book and film projects in the works.

Other titles by Jack Bentley from Sable Publishing: The OCEAN TURNED MILKY, A Maritime Memoir, The Life and Loves of a Young Seaman, 09741776-8-7: LANA AND THE PRIEST, 09741776-9-5. The busy author is currently at work on the forthcoming LANA, THE MOVIE, a two hour film script: a sequel, Lana’s Godchild: and his economic series.
